

MEMORANDUM

TO : ODL Students
FROM : Faculty Coordinator ODL
DATE : August 10, 2018

SUBJECT : **SECOND RESIDENTIAL PROGRAMME**

We would like to welcome you all to the second ODL residential Programme. By now, some students have started arriving although we expect you to arrive and conclude your registration on Sunday, 12th August (Group 1) and on Sunday, 26th August (group 2).

Expectations

1. After the changes were made, the courses that remained were architecture, introduction to programming and introduction to information technology. Besides these, you will have educational management and also social & ethical issues in ICT.
2. **ODL special case** will continue with Business as well as Economics in addition to Architecture, programming, introduction to IT and management. They will also have education and development **but not social and ethical issues in IT.**
3. **You will all be subjected to a test in each course.** For the courses you are just starting, the lecturer may decide to test you later.
4. Your modules for the new courses will soon be uploaded.
